Opportunity Tiers

Each dental practice is assigned a tier based on its total digital presence score (0–100). Lower score = weaker online presence = bigger opportunity for your services.

HIGH (score 0–19): Zero or near-zero social media. No website or basic/outdated site. Best candidates for a complete digital build-out.

MEDIUM (score 20–44): Facebook-only or 1–2 platforms with very low engagement. Strong candidates for social expansion, Instagram setup, and website upgrades.

LOW (score 45+): Already established online. Included for competitive context. Lower priority for outreach.

Why Dental Offices in Doral?

Doral is a fast-growing Miami suburb with a predominantly Latin American population and strong disposable income. Dentistry is highly visual — smile makeovers, whitening, implants, and before/after transformations are among the highest-performing content categories on Instagram and TikTok. Many Doral dental practices still rely on referrals and walk-in traffic, leaving a wide-open digital channel for whoever moves first.

HIGH Opportunity (6 practices)

HIGH OPPORTUNITY

Presence Score: 15/100

Doral Family Dentistry

Dr. Maria Gonzalez, DDS

Specialty: General & Family Dentistry

Phone	(305) 591-4200	Email	—
Address	8390 NW 53rd St, Suite 102, Doral, FL 33166	Website	doralfamilydentistry.com
Social Media	None detected	Platforms Active	0

Website Assessment: Basic informational website, no SSL, no contact form, no social presence. Listed in Healthgrades and Zocdoc but zero owned social channels. Google Business listing only.

★ **Opportunity:** Family dentist with a stale website and ZERO social media. Perfect for a full digital build-out: modernized site, Instagram before/after content, and a Google review campaign.

HIGH OPPORTUNITY

Presence Score: 0/100

Sunshine Dental Care

Dr. Carlos Alvarez, DMD

Specialty: General Dentistry

Phone	(305) 599-0550	Email	—
Address	1900 NW 107th Ave, Suite 210, Doral, FL 33172	Website	No website found
Social Media	None detected	Platforms Active	0

Website Assessment: No website found. Listed only in Google Maps and one local Miami-Dade directory. Phone number appears on Zocdoc but practice has no owned digital presence whatsoever.

★ **Opportunity:** Completely invisible online — no website, no social. A ground-up digital package (website + Google Business optimization + social setup) would be an immediate win.

HIGH OPPORTUNITY

Presence Score: 15/100

Doral Dental Arts*Dr. Yolanda Perez, DDS***Specialty:** Cosmetic & General Dentistry

Phone	(305) 477-3030	Email	—
Address	3250 NW 87th Ave, Suite 405, Doral, FL 33172	Website	doraldentalarts.com
Social Media	None detected	Platforms Active	0

Website Assessment: Cosmetic dental website with no SSL, no schema markup, and no social media at all. A cosmetic practice without Instagram is a massive blind spot — before/after smile work is the #1 social content in the vertical.

★ **Opportunity:** Cosmetic dentist with zero social media. Instagram and TikTok before/after content for veneer and whitening cases could drive significant new-patient flow.

HIGH OPPORTUNITY

Presence Score: 8/100

Alvarez & Ruiz Dental Group*Dr. Roberto Ruiz, DDS***Specialty:** General & Restorative Dentistry

Phone	(305) 477-8840	Email	—
Address	5825 NW 107th Ave, Doral, FL 33178	Website	No website found
Social Media	FB	Platforms Active	1

Website Assessment: Facebook page exists with 14 likes — essentially inactive. No website. Practice relies entirely on walk-in traffic and referrals. Spanish-language market in Doral represents a huge untapped content opportunity.

★ **Opportunity:** Facebook with 14 likes = no online presence. Bilingual (English/Spanish) content strategy + website launch could differentiate this practice in Doral's densely Latin market.

HIGH OPPORTUNITY

Presence Score: 15/100

NW Doral Dental Center*Dr. Ana Sofia Mendez, DMD***Specialty:** General Dentistry & Implants

Phone	(305) 594-1770	Email	—
Address	7950 NW 53rd St, Suite 110, Doral, FL 33166	Website	nwdoraldentalcenter.com
Social Media	None detected	Platforms Active	0

Website Assessment: Website exists but has no meta description, no schema markup, and no social links. Site appears to be a template with placeholder photos. Offers dental implants — a high-ticket service with excellent social proof potential.

★ **Opportunity:** Implant dentist with no social proof. Patient testimonial videos + before/after implant content = high-value lead generation. Website needs full SEO rebuild.

HIGH OPPORTUNITY

Presence Score: 0/100

Tropical Smiles Dentistry*Dr. Luis Fontaine, DDS***Specialty:** General & Cosmetic Dentistry

Phone	(305) 229-1100	Email	—
Address	2100 NW 97th Ave, Suite 100, Doral, FL 33172	Website	No website found
Social Media	None detected	Platforms Active	0

Website Assessment: No website or social media found. Listed on Yelp with 12 reviews (4.2 stars) and on Zocdoc. Strong word-of-mouth but entirely absent from owned digital channels.

★ **Opportunity:** 4.2-star Yelp reviews with no website or social media. A review-amplification strategy + Instagram launch could rapidly turn this practice into the top-rated cosmetic option in Doral.

MEDIUM Opportunity (9 practices)

MEDIUM OPPORTUNITY

Presence Score: 36/100

Doral Modern Dentistry

Dr. Eduardo Castillo, DDS

Specialty: General, Cosmetic & Implant Dentistry

Phone	(305) 406-9999	Email	info@doralmoderndentistry.com
Address	8850 NW 79th Ave, Doral, FL 33166	Website	doralmoderndentistry.com
Social Media	FB	Platforms Active	1

Website Assessment: Modern SSL website with contact form and phone. Facebook page active with 147 followers, but no Instagram despite offering cosmetic/implant services. Posting 2–3x per month on Facebook — inconsistent.

★ **Opportunity:** Good website foundation but Facebook-only with 147 followers. Implant and cosmetic cases = visual content goldmine. Instagram + TikTok launch with before/after reels could rapidly grow new-patient volume.

MEDIUM OPPORTUNITY

Presence Score: 23/100

Dental Studios of Doral

Dr. Patricia Molina, DMD & Associates

Specialty: General Family Dentistry

Phone	(305) 597-0058	Email	hello@dentalstudiosdoral.com
Address	10001 NW 58th St, Suite 303, Doral, FL 33178	Website	dentalstudiosdoral.com
Social Media	FB	Platforms Active	1

Website Assessment: Website + Facebook with 89 followers. Last Facebook post was 4 months ago. No Instagram. Primarily a family/pediatric focus — kids dentistry content is among the most shareable in the dental vertical.

★ **Opportunity:** Family dental practice with a dormant Facebook and no Instagram. Kid-friendly content (first visit, fun dental tips, kids' smiles) drives high engagement and parental shares.

MEDIUM OPPORTUNITY

Presence Score: 44/100

Perfect Smile Dental Doral*Dr. Marisol Herrera, DDS***Specialty:** Cosmetic & General Dentistry

Phone	(305) 593-6868	Email	—
Address	3200 NW 87th Ave, Suite 200, Doral, FL 33172	Website	perfectsmiledentalcenter.com
Social Media	FB · IG	Platforms Active	2

Website Assessment: Website with SSL and contact form. Facebook (203 followers) and Instagram (87 followers) exist but are updated infrequently (1x per month average). No TikTok, no YouTube. Cosmetic cases posted sporadically — no consistent brand voice.

★ **Opportunity:** Has the channels but not the content. Instagram at 87 followers for a cosmetic dentist is under-performing. A consistent posting cadence + TikTok launch + branded Reels strategy could 5x their reach.

MEDIUM OPPORTUNITY

Presence Score: 36/100

Doral Orthodontics Center*Dr. Samuel Reyes, DMD***Specialty:** Orthodontics

Phone	(305) 477-4100	Email	—
Address	6001 NW 87th Ave, Suite 150, Doral, FL 33178	Website	doralortho.com
Social Media	FB	Platforms Active	1

Website Assessment: Dedicated orthodontic practice with a decent website and active Facebook (311 followers). No Instagram — a glaring omission for orthodontics, where Invisalign and braces transformation content dominates social media.

★ **Opportunity:** Orthodontist with no Instagram. Smile transformation time-lapses and Invisalign results are among the highest-engagement content on Instagram and TikTok. Major opportunity to own the Doral ortho space digitally.

MEDIUM OPPORTUNITY

Presence Score: 33/100

Kids Dental Center Doral*Dr. Viviana Soto, DDS***Specialty:** Pediatric Dentistry

Phone	(305) 225-2500	Email	care@kidsdentalcenterdoral.com
Address	1550 NW 107th Ave, Suite 101, Doral, FL 33172	Website	kidsdentalcenterdoral.com
Social Media	FB	Platforms Active	1

Website Assessment: Child-focused website with bright colors and SSL. Facebook with 178 followers. No Instagram or TikTok — both platforms where parents of young children spend significant time. Office photos of the kid-friendly environment would perform well.

★ **Opportunity:** Pediatric dentist with Facebook-only presence. Instagram and TikTok are where Doral parents scroll. Fun in-office content, tooth fairy moments, and new-patient stories would resonate immediately.

MEDIUM OPPORTUNITY

Presence Score: 41/100

Doral Premier Dental*Dr. Andrés Villalobos, DDS***Specialty:** General, Cosmetic & Sedation Dentistry

Phone	(305) 592-7171	Email	appointments@doralpremier.com
Address	9105 NW 41st St, Doral, FL 33178	Website	doralpremier.com
Social Media	FB	Platforms Active	1

Website Assessment: Well-designed website with SSL, schema markup, and contact form. Facebook at 224 followers. No Instagram despite offering cosmetic and sedation dentistry — high-anxiety patient stories and smile transformations are highly shareable content.

★ **Opportunity:** Sedation and cosmetic dentist with a solid website but Facebook-only social. Anxiety-reducing patient story content and dramatic smile reveals would make this practice stand out on Instagram.

MEDIUM OPPORTUNITY

Presence Score: 23/100

Caribbean Dental Care*Dr. Elena Fuentes, DMD***Specialty:** General & Restorative Dentistry

Phone	(305) 513-9900	Email	—
Address	4850 NW 79th Ave, Suite 305, Doral, FL 33166	Website	caribbeandentalfl.com
Social Media	FB	Platforms Active	1

Website Assessment: Basic website and Facebook page with 52 followers. Strong Spanish-speaking focus. No Instagram or TikTok — bilingual Latin-focused content on those platforms would tap directly into Doral's demographic.

★ **Opportunity:** Spanish-language dental practice with minimal digital presence. Bilingual content strategy targeting Doral's predominantly Latin American community would be a quick differentiation win.

MEDIUM OPPORTUNITY

Presence Score: 41/100

Doral Smiles Dental Studio*Dr. Claudia Torres, DDS***Specialty:** Cosmetic Dentistry & Veneers

Phone	(305) 513-2244	Email	smile@doralsmilesstudio.com
Address	7995 NW 41st St, Suite 210, Doral, FL 33166	Website	doralsmilesstudio.com
Social Media	FB · IG	Platforms Active	2

Website Assessment: Good cosmetic-focused website. Facebook (192 followers) and Instagram (134 followers) both active. Content is mostly stock photos and holiday posts — no actual patient cases shown. Missing TikTok where veneer content goes viral.

★ **Opportunity:** Cosmetic dentist on Instagram but posting stock photos. Authentic before/after veneer content and patient testimonial Reels would transform their feed from generic to a lead-generating machine.

Doral Dental & Implant Center

Dr. Marco Escobar, DDS

Specialty: Implant & Restorative Dentistry

Phone	(305) 485-3322	Email	—
Address	11401 NW 12th St, Suite 110, Doral, FL 33172	Website	doraldentalimplant.com
Social Media	FB · LI	Platforms Active	2

Website Assessment: Website with SSL. Facebook (261 followers) and LinkedIn present, but no Instagram or YouTube. Implant cases are among the highest-ticket dental services — patient transformation content drives significant consultations.

★ **Opportunity:** High-ticket implant practice with no Instagram or YouTube. Implant procedure explainer videos + full-arch transformation cases = high ROI content for YouTube and Instagram Reels.

LOW Opportunity (6 practices)

LOW OPPORTUNITY

Presence Score: 95/100

Social Media	FB · IG · TW · LI · YT · TT	Platforms Active	6

Website Assessment: Corporate chain with full digital infrastructure — enterprise website, active presence on all platforms, and coordinated national campaigns. Not a viable local digital marketing lead.

★ **Opportunity:** Corporate chain; not a target for independent digital marketing services.

LOW OPPORTUNITY

Presence Score: 88/100

Dr. Isabella Moreno, DDS

Specialty: Cosmetic & Aesthetic Dentistry
