Opportunity Tiers

Each dental practice is assigned a tier based on its total digital presence score (0–100). Lower score = weaker online presence = bigger opportunity for your services.

HIGH (score 0–19): Zero or near-zero social media. No website or basic/outdated site. Best candidates for a complete digital build-out.

MEDIUM (score 20–44): Facebook-only or one/two platforms with very low engagement. Good candidates for social media expansion, Instagram setup, and website upgrades.

LOW (score 45+): Already established online. Included for competitive context. Lower priority unless offering YouTube, TikTok, or ad campaigns.

Scoring Breakdown

Website present (+15) · Modern/SSL website (+5) · Facebook (+8) · Instagram (+8) · Twitter/X (+5) · LinkedIn (+4) · YouTube/TikTok (+5 each) · Contact form (+3) · Schema markup (+3)

Why Dental Offices?

Dentistry is one of the most visual medical niches — smile makeovers, whitening, implants, and before/after transformations are among the highest-performing content categories on Instagram and TikTok. Yet many Naples dental practices have little to no social presence, making them ideal leads for social media marketing services.

Data Sources

NPI Registry, Yelp, Healthgrades, WebMD, ADA Dentist Finder, Gulfshore Life, Facebook/Instagram/Twitter direct searches, individual practice websites. Researched June 2026.

HIGH OPPORTUNITY LEADS

These dental practices have zero or near-zero digital presence. No social media detected across any platform, or an effectively abandoned account. Most have a basic website only. Best candidates for a full social media and digital marketing build-out.

HIGH OPPORTUNITY

Presence Score: 15/100

Davey Family Dentistry

[Dr. Jeremy Davey, DDS](#)

Specialty: General & Family Dentistry

Phone	(239) 434-8886	Email	—
Address	661 Goodlette Rd N, Suite 107, Naples, FL 34102	Website	daveyfamilydentistry.com
Social Media	None detected	Platforms	0 active

Website Assessment: Basic practice website. No social media presence found on any platform — no Facebook, no Instagram, nothing. Listed only in Healthgrades, WebMD, and Gulfshore Life directories.

★ **Opportunity:** Solo family dentist with a website but ZERO social media. Strong patient reviews exist but no owned digital presence to show for it. Full build-from-scratch opportunity.

HIGH OPPORTUNITY

Presence Score: 18/100

Naples Dental Professionals

[Dr. Katia Consuegra, DDS](#)

Specialty: General & Cosmetic Dentistry

Phone	(239) 592-9200	Email	—
Address	4522 Executive Dr, Suite 101, Naples, FL 34119	Website	naples-dental.com
Social Media	FB	Platforms	1 active

Website Assessment: Website + Facebook page with only 23 likes — effectively a dead account. No Instagram despite offering cosmetic dentistry, which is a highly visual specialty.

★ **Opportunity:** Facebook with 23 likes = essentially no online presence. Cosmetic dental work is Instagram gold. Smile makeovers, whitening results, before/after posts are perfect content.

MEDIUM OPPORTUNITY LEADS

These practices have a minimal presence — typically Facebook-only or accounts with almost no followers. Good candidates for Instagram setup, content strategy, social media expansion, and website upgrades.

MEDIUM OPPORTUNITY

Presence Score: 23/100

Dental Specialty Center of Naples

Practice dental team

Specialty: General, Cosmetic & Specialty Dentistry

Phone	(239) 227-2479	Email	—
Address	4955 Castello Dr, Naples, FL 34103	Website	dentalspecialtyflorida.com
Social Media	FB	Platforms	1 active

Website Assessment: Website + Facebook with only 71 followers. No Instagram despite offering cosmetic and specialty services. Very low visibility for a multi-specialty practice.

★ **Opportunity:** Multi-specialty center with only 71 Facebook followers and no Instagram. Orthodontic/smile transformations = viral content. Huge gap to fill.

MEDIUM OPPORTUNITY

Presence Score: 23/100

Page Family Dental Group

Dr. Christopher Page, DDS & team

Specialty: General Family Dentistry

Phone	(239) 263-2122	Email	frontdesk@pagefdg.com
Address	4953 Castello Dr, Suite 100, Naples, FL 34103	Website	pagefamilydentalgroup.com
Social Media	FB	Platforms	1 active

Website Assessment: Website + Facebook only. No Instagram. Family practice (pediatric through adult). Strong candidate for family and kids dentistry content on social.

★ **Opportunity:** Family dental group with Facebook only — no Instagram. Family/kids dentistry content (first visits, tooth fairy, Halloween candy) crushes on social.

MEDIUM OPPORTUNITY

Presence Score: 23/100

BayView Dental Arts[Practice dental team](#)**Specialty:** Cosmetic & Restorative Dentistry

Phone	(239) 434-5545	Email	office@bayviewdentalarts.com
Address	1001 10th Ave S, Suite 218, Naples, FL 34102	Website	bayviewdentalarts.com
Social Media	FB	Platforms	1 active

Website Assessment: Website + Facebook only. No Instagram despite being a cosmetic/restorative practice. Smile makeovers are the single best content type for dental Instagram.

★ **Opportunity:** Cosmetic dentistry in Downtown Naples with Facebook only. Before/after smile transformations drive massive engagement. IG is an obvious missing channel.

MEDIUM OPPORTUNITY

Presence Score: 23/100

Naples Dental Care[Practice dental team](#)**Specialty:** General Dentistry / Affordable Dentures & Implants

Phone	(239) 234-5284	Email	—
Address	4325 Tamiami Trl N, Naples, FL 34103	Website	dentistofnaples.com
Social Media	FB	Platforms	1 active

Website Assessment: Website + Facebook (1,559 likes) but no Instagram, YouTube, or any other platform. Single-channel strategy limiting growth potential.

★ **Opportunity:** 1,559 Facebook followers with no Instagram = untapped audience. Expanding to IG and Google Business would significantly multiply visibility.

MEDIUM OPPORTUNITY

Presence Score: 23/100

The Dentistry in Naples

[Practice dental team](#)

Specialty: General, Cosmetic, Emergency & Sedation Dentistry

Phone	(239) 566-2422	Email	—
Address	1001 Crosspointe Drive, Suite 2, Naples, FL 34110	Website	thedentistrynaples.com
Social Media	FB	Platforms	1 active

Website Assessment: Website + Facebook only. Sedation dentistry is a specialized niche where anxious patients research heavily online — yet no Instagram or YouTube presence.

★ **Opportunity:** Sedation + emergency dental practice with Facebook only. Patient calming videos and sedation explainers perform very well on YouTube/Instagram.

MEDIUM OPPORTUNITY

Presence Score: 23/100

Naples Smiles Dentistry

[Practice dental team](#)

Specialty: General & Family Dentistry

Phone	(239) 280-3646	Email	—
Address	5072 Airport Rd N, Naples, FL 34105	Website	naplessmilesdentistry.com
Social Media	FB	Platforms	1 active

Website Assessment: Website + Facebook. No Instagram despite 'Smiles' branding — a visually oriented name with no visual social media strategy.

★ **Opportunity:** A 'Smiles' practice with no Instagram. Smile makeovers, whitening results, and patient testimonials on IG/Reels would immediately align with the brand.

MEDIUM OPPORTUNITY

Presence Score: 23/100

Naples Bay Dental Group[Practice dental team](#)**Specialty:** General & Family Dentistry

Phone	(239) 799-7244	Email	—
Address	5040 Tamiami Trl E, Suite 300, Naples, FL 34113	Website	naplesbaydentalgroup.com
Social Media	FB	Platforms	1 active

Website Assessment: Website + Facebook only. South Naples family group with no Instagram or video content strategy to engage the local community.

★ **Opportunity:** South Naples family dental group with Facebook only. Prime candidate for Instagram setup and Google Business optimization to capture local traffic.

Presence Score: 25/100

Naples Premier Dentistry[Practice dental team](#)**Specialty:** General & Cosmetic Dentistry

Phone	(239) 591-1000	Email	naplespremier@mydentalmail.com

Social Media	FB · IG	Platforms	2 active

Website Assessment: Website + Facebook + Instagram (@naplespremierdentistry) — but Instagram has only 39 followers and 5 total posts. Effectively abandoned and dormant.

★ **Opportunity:** Has accounts set up but Instagram is essentially abandoned (39 followers, 5 posts). Needs content strategy and consistent posting to activate existing channels.

MEDIUM OPPORTUNITY

Presence Score: 31/100

Dental Care at Naples Lakes[Practice dental team](#)**Specialty:** General & Family Dentistry

Phone	(239) 544-4240	Email	—
Address	8615 Collier Blvd, Naples, FL 34114	Website	dentalcareatnapleslakes.com
Social Media	FB · IG	Platforms	2 active

Website Assessment: Website + Facebook (152 likes) + Instagram (165 followers). Both accounts are active but very low engagement for the size of the surrounding community.

★ **Opportunity:** On two platforms but with very low engagement. Needs content strategy, posting schedule, and local community targeting to build real traction.

MEDIUM OPPORTUNITY

Presence Score: 31/100

Social Media	FB · IG	Platforms	2 active

Website Assessment: Website + Facebook + Instagram (@torrens_dentalcare, 76 followers, 246 posts). Posts regularly but gets almost no traction — content without strategy.

★ **Opportunity:** 246 Instagram posts but only 76 followers — high effort, zero return. 20+ years experience is a powerful brand story being wasted without strategy.

MEDIUM OPPORTUNITY

Presence Score: 31/100

Cardinale Dentistry*Dr. Vincent Cardinale, DDS***Specialty:** General & Cosmetic Dentistry

Phone	(239) 596-9868	Email	—

Social Media	FB · IG	Platforms	2 active

Website Assessment: Website + Facebook (239 likes) + Instagram (@cardinaledentistry, 141 followers, 307 posts). 679 Healthgrades reviews signal strong patient base but low online visibility.

★ **Opportunity:** 679 Healthgrades reviews but only 141 IG followers — major gap between real-world reputation and online presence. Strong foundation, needs amplification.

MEDIUM OPPORTUNITY

Presence Score: 31/100

Bellaire Bay Dental Care*Dr. Nestor Villarreal, DDS & Dr. Michael Bankes, DDS***Specialty:** General & Family Dentistry

Phone	(239) 330-4940	Email	—

Address	7485 Vanderbilt Beach Rd, Naples, FL 34119	Website	missionhillsdentistry.com
Social Media	FB · IG	Platforms	2 active

Website Assessment: Website + Facebook + Instagram (88 followers, 87 posts). Very low engagement in an affluent North Naples zip. Posting without reaching the right audience.

★ **Opportunity:** Located in affluent North Naples (34119) with only 88 IG followers. Affluent demographics = high-value cosmetic dental audience just waiting to be engaged.
